cebeiro
2015

The cebeiro albariño was elaborated in order to obtain

a vibrant and provocative wine like a rock song.

The varietal aromas expressed with the serenity of the bass guitar, vibrant acidity like a guitar, the melody voice on the palate ... all mixed under the rhythm of the drums for a rebellious wine but at the same time well balanced.

Yellow colour. Aromas of stone fruit, balanced acidity, full on the palate acidity. Round and long aftertaste.

PAIRING SUGESTIONS:

Ideal as an aperitif or with fish, seafood, soft cheeses and white meats.
